

Two week closure of Apache County Road C-420 begins Monday, June 5

Apache County Road C-420 will be closed in both directions for approximately two weeks between State Route 264 and the south entrance of the Ganado Schools Complex north of SR 264 beginning Monday, June 5.

Drivers should allow extra travel time and use alternate routes such as the Post Office Road to Round Top Road.

The closure is necessary to allow reconstruction of the Apache County Road C-420 intersection from SR 264 to approximately 400 feet north in conjunction with the widening and resurfacing of SR 264.
